

## Who Or What Is KAN?

Established in 2000, the Kingston Arts Network Inc. is an association of artist and craftspeople, a network for visual, performing and literary artists and craftspeople to share ideas and promote the arts in the community. KAN is a body of artists working for fellow artists.

KAN is not bound by geographical boundaries and is a peer-support network, with different aims and aspirations from those of an Arts Council. KAN is affiliated with Regional Arts Victoria, is an official incorporated body, and is a non-profit organization.

The operations of KAN depend upon the voluntary work of its members and occasional grants from funding bodies such as the City Of Kingston.

KAN Members include people who paint, draw, illustrate, design, photograph, sculpt, sew, knit, write, sing, dance, act, clown around, perform magic, write music, create music or play music.
